FOSTER CITY PARKS AND RECREATION

Set course for a new direction this Fall and discover new enrichment possibilities!

FOSTER CITY ELEMENTARY SCHOOL

The Wednesday Afterschool Enrichment program is offered each Wednesday afternoon (early dismissal day) at **Foster City Elementary School.** Each class meeting is one hour in length and serves children in **1st-5th grades**.

After-school enrichment programs have a proven benefit for your child, your family, and your community. Children who participate in after school enrichment programs over the course of their lifetime consistently improve their academic performance in school, have improved social skills and increased self-esteem, and provide an environment for stronger friendships with their peers.

Sign up today for one of our many classes offered in our enrichment program, and have a blast learning outside of the classroom. For more information please call contact Ben Dieterle, Recreation Coordinator, at (650) 286-3387 or bdieterle@fostercity.org

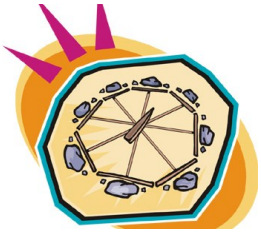
***THIS IS NOT A SMFC SCHOOL DISTRICT SPONSORED PROGRAM**

DEAR PARENTS,

Today, parents and guardians are continuously seeking ways to invest in their child's learning experience, especially during the school year. For many years, the Foster City Parks & Recreation Department has provided afterschool enrichment that reinforce our program goals of 1.) to provide quality classes that broaden the child's experience of ideas and the world, 2.) to help the student have fun and feel good about themselves as they expand their horizons, and 3.) to create a better community by facilitating the development of well-rounded children.

At the Foster City Parks & Recreation Department, we know that it is vital that children are engaged in activities in which they are continuously learning and provided experiences that build self esteem. Our well-trained and expert staff encourages every child to explore while creating fun and exciting memories that can be lifetime childhood investments. Learning never stops and the fun never ends at the Wednesday Afterschool Enrichment Program.



It is a guaranteed investment in your child's future!

Ben Dieterle, Recreation Coordinator

PROGRAM DETAILS & UPCOMING CAMP

During the Wednesday Afterschool Enrichment Program, we ask that parents follow a few guidelines and communicate a few reminders to their child to make this a successful program:

1. Register *early*! To avoid class cancellation for your child and to guarantee the class will run it's important to sign up early. Each class has a minimum amount of participants needed to perform the class, and must be reached before the start of class.
2. Children will meet in the multi-purpose room. After they eat lunch, a Recreation staff member will help direct your child to the correct classroom.
3. The Enrichment Instructor will take roll before the start of class to ensure everyone is in the correct class.
4. Please notify school if child is absent.
