

Name: Herb Perez
Occupation: City Council Member

Age: 55

Education and Qualifications:

My name is Herb Perez and it has been an honor to represent you on the City Council since 2012.

Foster City is a caring community of neighbors that wants the best for our friends and families. It's why I choose to live here with my wife, Reina, and our children Nikko and Ciara.

While on the council, I have championed causes to make our community safer, healthier, and more fiscally sound.

With your support, alongside my colleagues, I have strengthened our municipal smoking ban, authored a new economic improvement plan, and passed a balanced budget for 4 straight years.

If re-elected, I will continue to safeguard our quality of life and work to prevent the over-development of our community. My experience includes:

Current Foster City Councilmember
Chair, Foster City Parks & Recreation Committee
Small Business Owner, Gold Medal Martial Arts Centers
B.S., William Paterson University
J.D., Rutgers University-Law
Olympic Gold Medalist, Taekwondo (1992)

My endorsers include:

Kevin Mullin, Assemblymember
Charlie Bronitsky, Foster City Councilmember
Rick Wykoff, Former Foster City Mayor
Chelsea Bonini, San Mateo-Foster City School Board Member
Sal Censoprano, Vice Chair, Foster City Audit Committee
Solomon Tsai, Hotelier
Greg Kuhl, Community Leader

Thank you for your consideration.
