

**FOR MEMBER OF THE CITY COUNCIL**

**Patrick Sullivan**

**Occupation: Business Owner/Educator**

**Age:62**

For over 21 years I have had the pleasure of living in Foster City.

As a Grand Jury Member of San Mateo County (2013-2014) I gained insight into how to improve the Infrastructure of our city by working closely with citizens and county officials.

I look forward to working with developers to ensure reasonable growth as well as implementing the standards that will protect the people, environment, and future of Foster City.

I feel my experience in the political arena qualifies me to help make Foster City a thriving place to live.

I look forward to and feel honored to serve you and Foster City.

As you know every vote counts. On November 3, cast your vote for Patrick Sullivan

I would be honored to have your vote and I look forward to serving.
