Pursuant to Division 12, Part 2 and Division 13, Part 1.5 of the California Health and Safety Code, dwellings intended for human occupancy are required to have smoke detectors and carbon monoxide detectors approved by the State Fire Marshall installed.

As the owner of the above referenced property, I certify that carbon monoxide detectors have been installed in accordance with the manufacturer's instructions and in compliance with California Health and Safety Code Section 17926 (Carbon Monoxide Devices), and all other applicable code sections. The carbon monoxide detectors have been tested and are operational. I understand that failure to comply with these requirements may be punishable by a fine of up to \$200 per offense, pursuant to Health & Safety Code 17926(2)(c)(1).
