

*Foster City*  
**General  
Plan  
UPDATE**

**NOTICE OF  
PUBLIC HEARING**

October 1, 2015  
CITY COUNCIL CHAMBERS  
620 FOSTER CITY BOULEVARD

**NOTICE IS HEREBY GIVEN** that the Foster City Planning Commission will hold a Public Hearing **on Thursday, October 1, 2015** to review and consider: 1) the Final Environmental Impact Report (EIR) analyzing potential environmental impacts of the Land Use and Circulation Element and Climate Action Plan, 2) the draft Land Use and Circulation Element of the General Plan, and 3) a draft Climate Action Plan and make final recommendations to the City Council. This will be the 17<sup>th</sup> meeting of the Planning Commission to review the update of the Land Use and Circulation Element and/or Climate Action Plan.

The Final Environmental Impact Report analyzed potential environmental impacts of the Land Use and Circulation Element Update and the Climate Action Plan and includes responses to comments made prior to the close of the public review period on the Draft Environmental Impact Report.

The Land Use and Circulation Element is being updated because many of the objectives stated in the existing Element have been met. The updated Element would include updated background text, policies and programs, as well as an amendment to the Land Use Plan Map to change the following designations to more accurately reflect current City Council policies:

- Bridgeview Park (formerly Werder Park) from Open Space to Park
- Shorebird Park (formerly Destination Park) from Waterfront Commercial to Park
- Elementary School (4 sites) change legend to School
- Study Areas: eliminate two previously designated study areas; (1) Chess Drive Industrial and (2) Marina Site

The Climate Action Plan will guide residents, businesses and local government in reducing greenhouse gas emissions. The Climate Action Plan incorporates implementation measures from existing City efforts, such as the Sustainability Action Plan, General Plan and Sustainable Foster City Plan, as well as new implementation measures to achieve greenhouse gas reductions.

SAID Public Hearing will be at the Regular Planning Commission meeting which starts at 7:00 pm, in the Council Chambers, 620 Foster City Boulevard, Foster City, California. The Public Hearing will be televised on FCTV, Channel 27.

**THE PUBLIC IS INVITED TO PROVIDE COMMENTS ON THE DRAFT LAND USE AND CIRCULATION ELEMENT  
AND DRAFT CLIMATE ACTION PLAN  
THE PLANNING COMMISSION WILL BE ASKED TO MAKE A FINAL RECOMMENDATION TO THE CITY COUNCIL  
AT THIS MEETING**

**DOCUMENT AVAILABILITY**

The Final Environmental Impact Report, draft Land Use and Circulation Element and draft Climate Action Plan are available for public review. Copies of the reports and all documents related to the General Plan Update are available for review Monday through Friday, between the hours of 8:00 a.m. and 5:00 p.m., at the City of Foster City Community Development Department, 610 Foster City Boulevard, Foster City, California 94404. Information regarding the project and the Staff Report will be available on the City's website at [www.fostercity.org](http://www.fostercity.org).

**QUESTIONS:**

If you have questions about the Planning Commission Public Hearing, or general questions about this project, please contact Leslie Carmichael, Consulting Planner, at (650) 286-3236 or [lcarmichael@fostercity.org](mailto:lcarmichael@fostercity.org).

*Any attendee wishing accommodations at the meeting should contact the Community Development Department at (650) 286-3225, at least 48 hours in advance of the meeting.*
