Support the Youth & Teen Foundation

The Foster City Youth & Teen Foundation was established to help fund the development of a new teen center in Foster City. The teen center provides a safe alternative for latchkey kids and is purposely made accessible to help ease the stress of today's working families.

The Foster City Youth & Teen Foundation's purpose is to provide resources and funding for amenities and supplies for the City's Youth & Teen Programs. With the community's help, we can enhance our facilities and programs for our local youth & teens. Patrons that contribute \$100 or more are eligible to have their name displayed on a recognition wall in the new teen center!
