The Veterans Honor Wall was a concept requested for evaluation by the Foster City City Council based upon the desire of family, friends, and organizations to honor their loved ones who served in the armed forces.

Though construction of the Veterans Honor Wall was made possible with City Council authorization to utilize \$50,000 from the Capital Improvement Fund, nameplate dedication requires a \$250 donation and ensures the nameplate in perpetuity.

The Veterans Honor Wall will consist of a four foot tall by 50 foot long cement wall, with a five foot return at each end, similar in style as the sections at the Meadow Stage also in Leo J. Ryan Park. A 30 foot flag pole with a flag will also be installed along with spot lights which will illuminate the Veterans Honor Wall hardscape area.
