

Levee Safety

Play it Safe & Courteous

*Sponsored by the
Parks and Recreation Committee
Sunday, May 17, 9am—1pm*

Appropriate usage of the levee pedway includes the following:

- **Limit bicycle speed to 15 mph**
- Be considerate of others – recognize the levee as a mixed use area
- Do not litter – utilize provided garbage cans and recycling bins
- Minimize erosion – stay on the path
- Give an audible warning before passing others
- Walk or bike on the right and pass on the left
- Keep pets under control and on a 6 foot or shorter leash
- Clean up after pets - Dog waste bags located along the trail
- Use lights and other reflective equipment at night time
- Do not carry more persons on a bicycle than the number for which the bicycle was designed

Many of these tips have been adopted into the Foster City Municipal Code. Individuals who choose not to exercise courtesy when using the levee may be cited.

Referenced Municipal Codes include: 10.68.130; 12.36.090; 12.36.100; 12.36.110; 12.36.130; 12.36.170
