Department Presents:

Foster City Elementary School Wednesday Enrichment

The Wednesday Afterschool Enrichment program is offered each Wednesday afternoon (early dismissal day) at **Foster City Elementary School**. Each class meeting is one hour in length and serves children in **1st-5th grades**.

After-school enrichment programs have a proven benefit for your child, your family, and your community. Children who participate in after school enrichment programs over the course of their lifetime consistently improve their academic performance in school, have improved social skills and increased self-esteem, and have stronger friendships with their peers.

Sign up today for one of our many classes offered in our enrichment program, and have a blast learning outside of the classroom. For more information please contact Ben Dieterle, Recreation Coordinator, at (650) 286-3387 or bdieterle@fostercity.org
