

Foster City Youth and Teen Foundation

Learn how you can help enhance our City's youth and teen programs!

The Foster City Youth and Teen Foundation was established to help fund the development of a new teen center in Foster City. The teen center provides a safe alternative for latchkey kids and is purposely made accessible to help ease the stress on today's working families. In June of 2009, we opened our permanent home, a 9,800 square foot facility which not only accommodates more participants but staff has been able to implement a variety of new programs and activities. Approximately 200-300 teens a week benefit from the new facility and programs, skate park, and basketball court.

The Foster City Youth and Teen Foundation's purpose is to provide resources and funding for amenities and supplies for the City's youth and teen programs. With the community's help, we can continue to enhance our facilities and programs for our local youth and teens. For more information on the Youth and Teen Foundation or to make a tax-deductible donation, please contact Tiffany Hall at 650.286.3395 or thall@fostercity.org.
