# Fix-It Event

Saturday, July 26, 2014

11 am-2 pm

Shoreway Environmental Center  
225 Shoreway Road, San Carlos

## Fix Your Broken Stuff!

Bring your broken, non-functioning items for assessment, disassembly and possible repair, including items such as:

- Electronics (cell phones, MP3 players, DVD players, CD players, radios, etc.)
- Small appliances (toasters, coffee makers, blenders, portable heaters, lamps, etc.)
- Computers (desktop computers, laptops, tablet computers, etc.)
- Toys (remote control cars, learning notebooks, handheld game consoles, etc.)

We'll provide the workspace, specialty tools and guidance to help you disassemble and troubleshoot the issue.

## What to Bring:

Bring your non-working item, any tools you already own that might be helpful and any knowledge or research on the issue. Don't forget to bring boxes, bags or small containers for parts. *Carry-in items only. No oversized items.*

## How to Register:

This is a family-friendly event, but space is limited. Please register at [www.RethinkWaste.org](http://www.RethinkWaste.org). Want to be a Fixit Coach at the event? Email [fixitclinic@gmail.com](mailto:fixitclinic@gmail.com)
