HOME COMPOSTING WORKSHOP

Do you want to start composting food scraps and yard trimmings in your own backyard?

Join the *County of San Mateo's Office of Sustainability (OOS)* for a **no-cost** two-hour workshop to learn the basics of starting your own backyard and worm composting system. Learn how easy and fun it is to recycle your fruit and vegetable scraps, leaves, and plant cuttings into compost! You'll learn about different composting systems, what materials are acceptable in those systems, and lots of interesting composting science.

You can start a composting system at any time of year in your home. This is a great way to learn how!

WHEN: Saturday, December 3rd, 2016
1:00 pm to 3:00 pm

WHERE: Lyngso Garden Materials
345 Shoreway Road
San Carlos, CA 94070

Admission is free, but space is limited! To attend the workshop, please sign up using the information provided below.

For more information, including signing up for the workshop, please visit
https://home_composting_workshop.eventbrite.com

or contact Eun-Soo Lim, OOS Sustainability Coordinator
sustainability@smcgov.org or 888.442.2666 / 650.599.1498.

This no-cost workshop is available to residents, business owners, employees, and students located within San Mateo County.
