

## BULKY ITEMS

Recology San Mateo County provides two annual On-Call Bulky Item collections at no additional cost to help your residents dispose of excess garbage and oversized items such as appliances, mattresses and furniture.

Upon the owner's or property manager's request, the Multi-Family Residential Complex, may place out for pickup bagged, boxed or bundled garbage, recyclables or compost, in addition to large appliances, bulky items and electronic scrap (E-Scrap) items.

Pickups can only be made for the entire property and have to be scheduled by the property owner or manager. Call Recology San Mateo County for more information.

## Did You Know?

Multi-Family Dwellings recycle less than 15% of their material – 85% is still going into the landfill!

It's the Recology™ way!

## WASTE ZERO

Our Waste Zero Specialists work directly with you and your residents to achieve the highest level of diversion possible. They are available to provide on-site technical assistance and answer any questions you might have.

# Recycle Program

As a property owner or manager, you see how much garbage your residents throw away. You also know more garbage means a higher bill – and the environment pays a price, too. Fortunately, you can save money and the environment by recycling!

Recycling collection services are provided at **NO additional charge** for multi-family dwellings (apartments, townhomes and condominiums.) And with BizSMART – recycling has never been easier!

# Resources

Recology San Mateo County has many resources to make recycling and composting as easy as possible.

## TOOLKIT

The toolkit provides resources for both property managers and your residents, which consists of the following:

- Property Manager Guide
- Recycling Poster
- Compost Poster
- Move-In Packet
- Move-Out Flyer

Compost collection services are offered at a **REDUCED RATE!**

## RECYCLING BUDDY BAGS

Recycling Buddy Bags are available to residents of multi-family dwellings at no additional cost and to make recycling more convenient. These can be used by your residents to collect their recyclables in their home and then emptied into the centralized Recycle Cart/Bin.

## KITCHEN PAILS

Kitchen pails are available to residents of multi-family dwellings at no additional cost for those with Compost collection services. These can be used by your residents to collect their food scraps in their home and then emptied into the centralized Compost Cart/Bin.

## Battery and Cell Phone Recycling Program

It's illegal to throw household batteries and cell phones in the **Garbage!** Contact Recology to set up a collection program at your property for recycling used batteries and old cell phones at no additional cost.

### Acceptable Batteries:

All cell phones are accepted. AA, AAA, C, D, button cell, rechargeable and 9 volt batteries.
