

GARBAGE & RECYCLING CART PLACEMENT

The City of Foster City would like to remind you how to properly set out and store your garbage, compost, and recycling carts.

PROPER CART SET OUT

Like this:

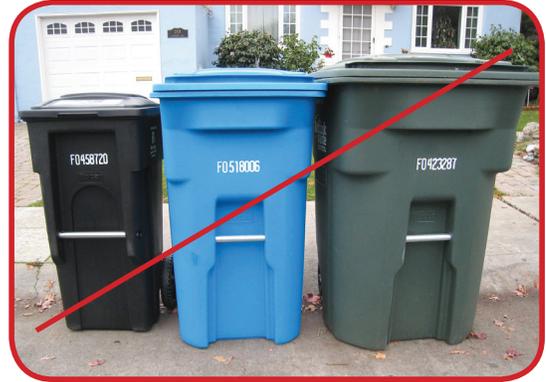

Space carts 2 feet apart.

Arrows on lids should point toward the street with wheels against the curb.

NOT like this:

Space carts 2 feet apart.

Carts should face the same direction, with the wheels against the curb.

PROPER CART STORAGE

Pursuant to Section 9.52.010, Property Nuisances, of the Foster City Municipal Code, all garbage, compost, and recycle carts must be placed behind a fence/gate or in a garage so that they are not visible from public view except on the scheduled day when the carts are set out for pick-up by Recology.

It is illegal to place and/or store carts in a front yard, driveway or anywhere visible from the lagoon. A violation of this Section constitutes a public nuisance and is subject to enforcement action by the City. Thank you for your cooperation.
