

If I am elected to Foster City Council, I will use my experience in municipal finance, my history of public service in our community, and my love of our beautiful, diverse City to keep Foster City a thriving and vibrant place to live, work, and play.

I am a native of Foster City, born after my parents moved here in 1965, and attended Audubon Elementary and Bowditch Middle Schools. Because of Foster City's strong sense of family and community, my husband and I chose to raise our two children in this beautiful City.

I believe I am qualified with a career that spanned over 32 years in local municipal finance. I have volunteered with youth sports organizations in Foster City for over 10 years including Foster City Little League, AYSO, and Peninsula Youth Soccer Club. I have also volunteered over 14 years with my husband in his work as a member of the Rotary Club of Foster City. I have an MBA and a BS in Business Finance and understand the intricacies of municipal finance.

Please support me as your next Councilmember.
