Utility Box Art Pilot Program  
**DESIGN TEMPLATE SAMPLE**

This is a typical utility box diagram representing four (4) sides and one (1) top. Please use it to sketch the images as it would be viewed (painted or vinyl wrapped). Unique colors and bold graphics work well, along with bright images that can be seen from a distance. **Detailed images in color of each side must be submitted on 8.5" x 11" paper.**

Actual utility boxes may vary in size or shape and have various vents, seams, doors, and handles. Please be prepared to adjust artwork to fit a unique utility box.
